8 I have no objection if the rank of Officiating Executive Engineer is conferred on Mr. N.Krishna Iyengar so long as he stays in the Mysore Municipality. If he reverts to the Public Works Department, he has to take his usual rank in the Department, without affecting the seniority of any one in the list.

OFFICE OF THE CHAIRMAN,
CITY IMPROVEMENT TRUST BOARD
MYSORE

Dated, 7th May 1932

From

T G RAMA IYER, ESQUIRE, B A
CHAIRMAN CITY IMPROVEMENT TRUST BOARD,
MYSORE

To

The General Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

GENERAL SECRETARY. 9 MAY 1932

Sir, No.

I have the honour to forward herewith copies of the Resolutions of the City Improvement Trust Board, and City Municipal Council, Mysore in the matter of granting the minimum pay and rank of an Executive Engineer to Mr. N. Krishna Iyengar, B.E., Municipal and Trust Board Engineer and to request that you may be so good as to obtain kind sanction of Government thereto.

The services of Mr.N. Krishna Iyengar were lent to the Municipality in April 1931. He was then an officiating Executive Engineer and his pay was fixed at Rs 500 plus Rs 150 allowance as Municipal and Trust Board Engineer. In the recent retrenchments he was reverted as Assistant Engineer on Rs 450 as per Government Order No.333-40, Camp Mysore, dated the 29th October 1931. Further, the allowance of Rs 150 he was drawing was reduced to Rs 75/- as per orders of Government No.Fl.3592-640/S and A. 123-31-15 dated the 25th November 1931. Adding to these the cut in salary amounting to Rs 45 the total reduction in his salary comes to Rs 170 per mensem. If Mr. Krishna Iyengar had continued to draw the allowance of Rs 150/- for six months more, the cut in his salary would have been as per Government Order No.Fl.3081-140/ G.F.90.31-1 dated the 2nd November 1931

5

only Rs 90 at 15% on the gross salary instead of Rs 120. In view of the hardship caused to Mr. Krishna Iyengar by this heavy loss of over 25 % of his original emoluments and also in view of the arduous nature of the work that he has been doing, both the Trust Board and the Municipality have unanimously resolved that he may be given the pay and rank of an Executive Engineer as long as he remains in the Trust Board as a --- compensation for the loss. It may also be stated here that Mr. Krishna Iyengar is a Senior Assistant Engineer and that he was drawing a pay of Rs 500 since December 1927.

In these circumstances, I request that the Government may be pleased to consider the case of Mr. Krishna Iyengar favourably and give him the grade of an Executive Engineer as resolved both by the Trust Board and the Municipal Council.

I have the honour to be,

Sir,

Your most obedient servant,

Chairman.
